Flavian Literature and its Greek Past

Η Λογοτεχνία της εποχής των Φλαβίων και οι ρίζες της στην Ελληνική
αρχαιότητα

ORGANIZER: ANTONY AUGOUSTAKIS, UNIVERSITY OF ILLINOIS

JULY 2-4, 2012

iam rpto tacuerunt augure Delphi, Stat. Thebaid 9.513

Flavian Literature and its Greek Past examines the intimate literary affiliation between the Flavian Greek and Roman authors and their Greek literary predecessors, but also the meaning of this interaction within the socio-cultural context of the Flavian age more broadly. Various panels treat major authors of the period, such as the Flavian epicists, Silius Italicus, Statius, Valerius Flaccus, as well as Martial and Josephus.
